# Cube Ceilings

This unique pre-assembled, open-cell type of ceiling system conceals the clutter of sprinklers, ducts, lights, and raceways while permitting the function of those mechanical systems through the open louver design, with 100% accessibility. Available styles are Monolithic or Tegular (with simple drop-in installation), and Cube features on-center cell sizes of 3", 4", 6", 8", or 12" to fit any design or application. The solid wood blade widths of 3/8" or 3/4" are available, with a 2" blade height.

## FEATURES

### APPEARANCE & COLOR

Available in solid wood blades in the species shown below\*  
 Available in Monolithic or Tegular (for easy installation in 15/16" HD T-Bar ceiling grid)
